 Date _____

PATIENT CONSENT

I have read, understood and accept the declaration below (Stand 08/2018_V2)

I hereby give my consent to the examinations that have been requested, as well as to the preparation of a special report of these laboratory values (without additional costs) by Lab4more GmbH. The liquidation for these services will be based on the Gebührenordnung für Ärzte (GOÄ) plus a charge for materials and shipping costs in accordance with § 10 GOÄ.

I have been informed that my health insurance provider may not completely cover the cost of all the tests requested and that I am liable for the payment of the entire cost of such tests.

CONSENT TO COLLECTION/TRANSFER OF MY PATIENT DATA (Status 08/2018_V2)

I have been informed and agree that MVZ Labor Bavariahaus and its associated company Lab4more may collect, process and use personal data, in particular name, address, date of birth, treatment data, invoice amounts, payer information, diagnoses and findings from treatment in compliance with the EU Data Protection Act, the German Federal Data Protection Act, Section 203 of the German Criminal Code and Section 73 (1b) of the German Social Security Code for the purpose of fulfilling the contract.

For the purpose of special analyses, MVZ Labor Bavariahaus and its associated company Lab4more may transmit my patient data (first name and surname, date of birth, address, order number) and medical samples to affiliated and external laboratories, primarily the Medical Laboratories Düsseldorf, Nordstr. 44, 40477 Düsseldorf, Germany. In rare cases, laboratory requests are sent to other special laboratories for analysis. Frequently used special laboratories are: Labor München Zentrum, Bayerstr. 53, 80335 Munich; Practice Prof. Dr. med. Michael Kramer, Mönchhofstr. 52, 69120 Heidelberg.

Invoicing of the laboratory examinations performed is carried out by the respective service provider mentioned above. For the above-mentioned laboratories, dgpar GmbH, Eugen-Langen-Str. 12, 50968 Cologne, Germany, is the commissioned invoicing office, which receives the data of the treatment essential for billing (first name, surname, date of birth, address, diagnosis, and results for the examinations), also insofar as these are "special types of personal data" within the meaning of Art. 9 Para. 1 of the EU Data Protection Act. In addition, existing invoices arising from my medical treatment can be passed on to the debt collection company Euroincasso GmbH, Bernauer Straße 21, 83209 Prien am Chiemsee (name, address, date of birth, performance figures, invoice amount, treatment documents, laboratory invoices and results, etc.). Should it be necessary to pass on findings and examinations of the present request to the debt collection company Euroincasso GmbH, I release my doctor/therapist from his medical confidentiality obligation in this respect. All employees of Euroincasso GmbH, but also of dgpar GmbH, are subject to the rules of data protection law and are obliged to maintain confidentiality under threat of prosecution in accordance with § 203 StGB (German Criminal Code). I am aware that I may revoke this declaration of release from the duty of confidentiality at any time with effect for the future.

I have been advised that

- the collection, processing and use of my data is voluntary and that I can refuse my consent or revoke it at any time with effect for the future, with the consequence that that the treatment agreement will not be concluded.
- in the event of a revocation, this should be sent in writing to MVZ Labor Bavariahaus, c/o Lab4more GmbH, Augustenstraße 10, 80333 Munich, Germany, or by e-mail to geschaeftsfuehrung@lab4more.de.
- I am entitled to demand information about my stored personal data at any time.
- I am entitled to demand the correction, deletion or blocking of individual data at any time.

I have read the information on data protection according to Art. 13 DSGVO on the website www.lab4more.de/datenschutz or I have requested it under info@lab4more.de or have printed it out. With my signature on this laboratory request I agree to the collection, processing and transfer of my data exclusively for the above-mentioned purposes.

Legend and Information:
 S = Serum
 NH = Sodium heparin
 NZ = Sodium heparin centrifuged
 NS = Nasal secretion
 ST = Stool
 MU = Morning urine

SZ = Special
 E = EDTA
 ** = Mixed allergens, if positive individual allergens recommended.
 E1 = Profile with single allergens.
 + Basic panel includes background value and controls

2 = by ECP Please not by blood collection
 Material 0.3 ml Serum. Please centrifuge and separate serum
 = Important: Please ring the laboratory.
 1 = if level 2 has been requested, levels 3 and 4 are only possible in a separate request.

„VictuAlis“-Profile

Stage 1

VictuScreen (PreScreen) IgE

Pool1 (House dust mites, cat scales, dog scales, timothy grass, rye, Clad. herbarum, birch, mugwort)

Pool2 (Chicken egg allergy, milk protein, cod, wheatmeal, peanuts, soya beans)

Pool3 (Orange, green apples, bananas, peaches)

VictuScreen (PreScreen) IgG and/or IgG₄

Pool1 (Sunflower seeds, milk, almonds, hazelnuts)

Pool2 (Gluten, peaches, banana, apple)

Pool3 (Whole egg, celery, paprika, carrots)

Stage 2

VictuBase (Basic Profile) IgG₄ Testing of 88 foods

Kohlrabi, broccoli, red/white cabbage, cauliflower, carrots, celery, parsnips, leek/chives, onions, garlic, lettuce, iceberg salad, cucumber, courgettes, tomato, potato, capsicum, spinach, mangel, green peas, soya beans, lentil, apples, blackcurrant, strawberry, grapes/raisins, cherries, peach, banana, lemon/orange, pineapple, black pepper, paprika, ginger, mustard seeds, glutamate, cinnamon, basil, oregano, rosemary, thyme, parsley, beef, chicken, turkey, pork, mushrooms, milk (mix), curdled milk products, rennet, Parmesan, Emmentaler, Gouda, Camembert, egg white, egg yolk, quail's eggs, barley, oats, rye, wheat/lectin, spelt, gluten, rice, coffee, black tea, brewer's or baker's yeast, peppermint, hazelnuts, almonds, pistachios, walnuts, peanuts, cocoa beans, pumpkin seeds, sunflower seeds, olive oil, sole, cod, tuna, salmon, trout, octopus, prawns, mussels.

VictuBase (Basic Profile) IgG

see VictuBase IgG₄ (88 foods)

Stage 4

VictuPlus (Gluten free cereals)

Corn, millet, buckwheat, quinoa, amaranth, teff

VictuPlus (Milk substitutes)

Sheep's milk, goat's milk, α -lactalbumin/ β -lactoglobulin, mare's milk, casein, coconut milk

Personal Recipe Book

For VictuBase IgG₄ and IgG (by subsequent request of VictuAdvanced we will update the recipe book free of charge)
